OUR PLAYBILL ADVERTISERS
without whom you would not be holding this Playbill

Dear Friends,

This year marks the 90th Anniversary of the Ivoryton Playhouse. During those 90 years, the theatre has been host to dances and parties, silent movies and weddings, and theatrical production that starred many of the most important actors of the American stage. Max Showalter, who has been researching the theatre's impressive history for our upcoming 90th celebrations, has said that more stars of the American theatre have performed on this small stage than any other theatre in the country. Quite an achievement for a community center built for the recreation of factory workers!

We, the members of the Ivoryton Playhouse Foundation, are proud of the Playhouse and her historical and cultural significance. With a trusty band of volunteers, donations from members, and funds raised from rentals and benefits, we manage to maintain the theatre throughout the year so that you can have the pleasure of enjoying a River Rep performance on a summer evening. Max Showalter's "Touch of the Child" in December, or a children's show with the Madhatters in the spring.

But we can only do so much with a willing heart and a paintbrush. Look around you - quaint is crumbling and picturesque is peeling. We need your help. Support the arts in your community - become a member of the foundation. Join us on October 3rd to celebrate 90 years of Playhouse history. Join us today and celebrate her future.
